### Extras

- Coins (more than 1 design at a time) - \$200 for set up and \$50 for each design.
- Etching is an additional \$75 and 3 weeks extra for timing. Art ready logo or fonts required - .eps, .psd, .ai, or .tiff formats are preferred.
- Any samples that need to be shipped as well as shipment of the order itself will be at the cost of the client.
- Any custom printed cards or inserts needed is at the cost of the client and takes an additional 2-4 weeks for completion.
- *Higher setup fees may apply based on studio time.*
- *Also please note – a comprehensive design with dimensions is required to receive an accurate estimate for pricing and timing.*

### Timing

- Timing for custom designs are typically 3 weeks from time of sign off on approved artwork to time of shipping (*this is dependent on time of year*).
- Any custom printed cards or inserts needed is at the cost of the client and takes an additional 2 weeks for completion.
- Any Etching that is required is an additional 3-4 weeks for completion
- Please Note: For Customs Purposes the Country of Origin will appear on all pieces made or it will be tagged with "Made in Canada".
