LIFESTYLE GIFTS & BAGS

Hello there!

We're HANG ACCESSORIES. We were founded in San Diego, CA in 2004 with a simple idea: design beautiful essentials for women on the go.

What started as a single product company with the purse hanger, evolved into a full line of eye-catching, multi-tasking rolling jetsetter bags, laptop totes, travel accessories, tech essentials, and unique gifts --designed and produced by women, for women.

We're a close-knit, estrogen-fueled tribe of all ages and life stages, from twenty-somethings to mompreneurs. We share a passion for travel and a common goal: to create chic, functional, and versatile accessories that keep up with life's many moments.

From work, to travel, to girl's night, our bags and accessories simplify her life and empower her to conquer her ambitions.
